¹ Where the international registration is jointly owned, indicate the names of each joint holder as recorded in the international registration here.

² You can find information on the procedures in national or regional offices in the Member Profile Database, available at www.wipo.int/madrid/memberprofiles.

^a The designation of the **European Union** covers its Member States (Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, The Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden).

If the **European Union** is designated, it is compulsory to indicate a second language before the Office of the European Union. The second language must be chosen from among the following five languages, but may not be the language of the international application from which the international registration indicated in item 1 resulted, regardless of the language of the present subsequent designation. Thus, for example, if the international application was filed in French and this subsequent designation is in English, French may not be selected as the second language (check one box only):

☐ English ☐ French ☐ German ☐ Italian ☐ Spanish

Moreover, if the applicant wishes to claim the **seniority** of an earlier mark registered in, or for, a Member State of the European Union, the **official form MM17 must be annexed** to the present subsequent designation.

^b By designating **Brunei Darussalam, Cabo Verde, Guernsey, India, Ireland, Lesotho, Malawi, Malaysia, Mozambique, New Zealand, Pakistan, Singapore, Trinidad and Tobago** or the **United Kingdom**, the holder declares that he/she has the intention that the mark will be used by him/her or with his/her consent in that country in connection with the goods and services identified in the present subsequent designation.

^c The designation of the African Intellectual Property Organization (**OAPI**) covers the following Member States: Benin, Burkina Faso, Cameroon, Central African Republic, Chad, Comoros, Congo, Côte d'Ivoire, Equatorial Guinea, Gabon, Guinea, Guinea-Bissau, Mali, Mauritania, Niger, Senegal, Togo.

^d If the **United States of America** is designated, it is **compulsory to annex** to the present international application the official form (**MM18**) containing the declaration of intention to use the mark required by this Contracting Party. Item 5(a) of the present form should also be completed.

^e **Cuba, Brazil and Japan** have made a notification under Rule 34(3)(a) of the Common Regulations. Their respective **individual fees are payable in two parts**. Therefore, if **Cuba, Brazil or Japan** is designated, only the first part of the applicable individual fee is payable at the time of filing the present international application. The second part will have to be paid only if the Office of the Contracting Party concerned is satisfied that the mark which is the subject of the international registration qualifies for protection. The date by which the second part must be paid, and the amount due, will be notified to the holder of the international registration at a later stage.

^f Territorial entity previously part of the former Netherlands Antilles.

^g Protection in **BQ** (Bonaire, Saint Eustatius and Saba) is granted automatically with the designation (see [Information Notice No. 27/2011](#)).

^h **Brazil, Estonia, India, Namibia** and the **Philippines** have made the declaration referred to in Article 14(5) of the Protocol. Accordingly, it is not possible to subsequently designate **Brazil** in respect of international registrations effected prior to October 2, 2019, **Estonia** in respect of international registrations effected prior to November 18, 1998, **India** in respect of international registrations effected prior to July 8, 2013, **Namibia** in respect of international registrations effected prior to June 30, 2004, and the **Philippines** in respect of international registrations effected prior to July 25, 2012.

ⁱ By designating **Brazil**, the holder declares that the holder, or a company controlled by the holder, effectively and lawfully conducts business in connection with the goods and services for which Brazil is being designated; and, agrees to receive notifications, including summons, not covered by the Madrid Protocol concerning the international registration of the mark that is the subject of this subsequent designation, issued in judicial proceedings held in Brazil, by post.

^j The designation of **Benelux** covers the following States: Belgium, Luxembourg and the Netherlands.

^k The designation of the **United Kingdom** covers England, Wales, Scotland, Northern Ireland, the British Overseas Territory of the Falkland Islands (Malvinas) and Gibraltar, as well as the two British Crown Dependencies of the Isle of Man and Jersey (see Information Notices No. 38/2015 and 77/2020).

^l The Bailiwick of **Guernsey** is a self-governing British Crown Dependency (see Information Notice No. 77/2020).

¹ You **cannot** renew the international registration for goods and services that have been **cancelled** or for designated Contracting Parties for which **total invalidation** or **renunciation** has been recorded. Where **partial invalidation** or **limitation** has been recorded, you cannot renew the international registration in respect of the designated Contracting Party concerned for the goods and services affected by said partial invalidation or limitation.

² Where the international registration is **jointly owned** indicate the names of each joint holder as recorded in the international registration here.

³ You must indicate below **all** the designated Contracting Parties for which you want to renew this international registration. The renewal fee for designated Contracting Parties that have granted **partial** protection (i.e., for some goods and services only) in a statement under Rule 18ter (a final or further decision) and have declared for an individual fee per class, are calculated taking into account the number of classes for which protection has been granted. You may renew the international registration in respect of a Contracting Party that has **refused protection for all goods and services** in a final decision by filling in this item solely. In that case, the registration must be renewed in respect of that Contracting Party for **all the**

goods and services for which it remains designated (i.e., those goods and services not affected by a limitation, a partial invalidation or a partial cancellation). This may be useful, pending the outcome of further proceedings in the Contracting Party concerned.
